

A photograph taken from the driver's perspective inside a car. The car is moving along a two-lane road that stretches into the distance. In the background, a large cable-stayed bridge with multiple white cables fanning out from a central pylon spans across the landscape. The sky is a mix of soft orange and pale blue, indicating the time is either dawn or dusk. The terrain is arid with sparse, low-lying vegetation. On the right side of the frame, the car's side-view mirror is visible, reflecting part of the road and the sky. The overall mood is serene and open.
