

A photograph taken from the driver's perspective inside a car. The car is moving along a two-lane road that stretches into the distance. In the background, a large cable-stayed bridge with multiple white cables fanning out from a central pylon spans across the landscape. The sky is a mix of soft orange and pale blue, indicating sunset or sunrise. The landscape is arid with low-lying shrubs and distant mountains. The car's side-view mirror is visible on the right side of the frame.
