

A scenic view from a car window during sunset. The landscape is a desert with low-lying vegetation and distant mountains. A cable-stayed bridge is visible in the background, its cables creating a series of overlapping arcs against the orange and blue sky. The car's side mirror is visible in the foreground on the right.

- **Partition Key:** Obavezan atribut koji određuje logičku particiju u kojoj će podaci biti uskladišteni (glavna tačka distribucije).
- **Sort Key:** Opcioni atribut koji, zajedno sa Particionim Ključem, čini Primarni Ključ i omogućava sortiranje i fleksibilnije upite unutar particije.
- **Globalni Sekundarni Indeksi (GSI):** Omogućavaju kreiranje alternativnih primarnih ključeva za upite, proširujući fleksibilnost pristupa podacima.
